US Western District Clerk Office

CLERK, U.S. DISTRICT COURT
WESTERN DISTRICT OF TEXAS
BY 
DEPUTY CLERK

In reference to case# 1:20-cv-01176

Please find ten pages attached of ten used cars imported from their country of origin in Germany and France to Lebanon from the 1960's to the 1980's. Three cars where owned by parent. Else cars were owned by relatives who either used to transport us or to take us with them on promenade in their used cars. It's being suspected that these used cars have been tracked by their ex owners who used to own them in their country of origin, or car makers companies have been contacted by importers, transporters, governments, police agencies or stalkers to track us as people whom had gone to America without return to visit Lebanon.....
